...Over the seven years I was completely satisfied with all the work provided by Provincial Cleaning. The entire staff was very cooperative and flexible and were always willing to take on additional tasks. We would often request additional work while preparing for important visitors, after office spaces moves, or deep cleaning the cafeteria etc. which was always met with the highest level of priority...Mike Elkassem and his team offer a very wide and unique blend of services and I would recommend Provincial Cleaning for any cleaning and staffing needs you may have...
